

IT'S OPEN ENROLLMENT TIME

Have you signed up for your benefits?

Open enrollment is your once-a-year opportunity to sign up for benefits, including your employer-sponsored health insurance. Protect your health and your finances with coverage from Blue Cross & Blue Shield of Rhode Island.

Take some time now to review your options and choose the benefits that work best for you.

Unless you have a big change in your life such as getting married or having a child, open enrollment is your only chance this year to sign up for health insurance. Don't miss it!
