

# HOW TO USE THE FIND A DOCTOR AND COST CALCULATOR TOOLS

# **FIND A DOCTOR TOOL**

The Find a Doctor tool can help you locate primary care providers, specialists, hospitals, and more.

Here's how it works.

## **STEP 1: Log in to your account**

By logging in to your account, you'll see results tailored to your specific health plan. This means you'll be able to select an in-network option to ensure the lowest out-of-pocket costs (if applicable) for you.

- Go to myBCBSRI.com and log in.
- If you haven't registered your account yet, take a moment to do it. (You'll need to enter your member ID number so have your ID card handy.)
- Once you're logged in, click on the **'Self Service'** tab. (1)
- Select 'Find a Doctor' from the 'Find a Provider' tab. (2)

#### **STEP 2: Choose how you want to search**

There are three ways you can search for providers and other healthcare services.

- Type the name of a doctor, medical specialty, or procedure into the search bar. (1)
- Use the 'Common Search' feature to select from one of six options: Radiology & Imaging Centers, Labs & Tests, DME & Medical Supplies, Physical (2) Therapy, Colonoscopy, or Mammogram.
- Find results by using the **'Browse by Category'** feature. **3**
